

## King George V Playing Fields, Colne

In terms of grounds maintenance, it costs us **£9,595.25** to maintain the playing field on an annual basis.

Please note - the work schedule is fairly old and as such may not be wholly representative of the maintenance that goes on at the Playing Field at present.

There are no revenue budgets associated with King George V Playing Fields.

There are other implications/issues that Colne Town Council will need to be aware of in terms of managing/maintaining the site if the land is transferred in to their ownership. These are:

- Dealing with general issues and complaints relating to the Recreation Ground, e.g. vandalism, anti-social behaviour, organising contractors to do work, etc.
- Public Space Protection Order's (PSPO's) to uphold – ensuring the Recreation Ground is used appropriately and in line with the PSPO (which is scheduled to come in to operation by the end of March 2017 and will include most things previously in the Bye-Laws plus dog control, fouling, etc.)
