

## Springfield, Earby

In terms of grounds maintenance, it costs us **£2,240.61** to maintain the playing field on an annual basis.

Please note - the work schedule is fairly old and as such may not be wholly representative of the maintenance that goes on at the Playing Field at present.

There are no revenue budgets associated with Springfield.

There are other implications/issues that Earby Town Council will need to be aware of in terms of managing/maintaining the site if the land is transferred in to their ownership. These are:

- Organisation of Sports pitches for weekly Football fixtures – marking, grass cutting, liaising with teams, invoicing, etc.
- Pitch allocations prior to the start of a new season – again liaising with Clubs/Leagues to see what pitches they want for the forthcoming season.
- Dealing with other organisations that want to use the Recreation Ground for one off events/activities, e.g. Earby FieldFest.
- Dealing with general issues and complaints relating to the Recreation Ground, e.g. vandalism, organising contractors to do work, etc.
- Public Space Protection Order's (PSPO's) to uphold – ensuring the Recreation Ground is used appropriately and in line with the PSPO (which is scheduled to come in to operation by the end of March 2017 and will include most things previously in the Bye-Laws plus dog control, fouling, etc.)
