## **Section 46 Notices**

Section 46 of the Environmental Protection Act (EPA) 1990 allows a waste collection authority to specify how waste is presented for collection, i.e. require an occupier to place waste for collection in receptacles of a kind and number specified. This is used to enforce separation of waste for recycling and also for the removal of containers from the public highway following the scheduled collection of waste.

There were 2 Section 46 Notices issued by Environmental Services between January and March 2016.

## **Substation Sites**

Following the scrutiny review of Litter and Detritus carried out in 2008, all area committees are encouraged to report if there are any substations within their area that may need tidying up. Members are asked to provide location details of any substations that are causing a problem with litter and/or fly tipping to Environmental Services.
