What is Pendle Soup?

Pendle SOUP is a crowdfunding dinner celebrating and supporting creative projects which will benefit the local community. For a suggested minimum donation of a fiver, enjoy some soup, bread, entertainment and vote for one of four projects presented on the night that are intended to;

- Help create new job opportunities and economic growth
- Address needs in the community
- Empower ANYONE to make positive change in their community
- Bring together people who want to support this positive change

The winning project gets all the door money to further their idea.

Pendle Soup's mission is to promote community-based development through crowdfunding, creativity, collaboration, democracy, trust and fun.
