## **1. Introduction**

- 1.1 The Council is the Licensing Authority for the purposes of street trading legislation.
- 1.2 The aim of the Council's Street Trading Policy is to create a street trading environment which complements premises-based trading, is sensitive to the needs of residents, provides diversity and consumer choice, and seeks to enhance the character, ambience and safety of local environments. The Policy also seeks to ensure that activities do not cause nuisance or annoyance to the people of the borough.
- 1.3 This Policy relates to all street trading activities on the streets within the Borough of Pendle listed in this Policy.
- 1.4 While each application will be dealt with on its own merits, this Policy gives prospective applicants an early indication as to whether their application is likely to be granted or not. It also provides prospective applicants with details of what is expected of them should a application be granted.
- 1.5 Throughout this Policy any reference to 'the Council' means Pendle Borough Council.

## **2 Overview of Legislation**

- 2.1 The controls relating to street trading are governed by Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982.
- 2.2 The Act states that the Council can designate its streets in three ways, these are:
  - a) a 'Consent Street' which is a street in which street trading is prohibited without the consent of the District Council
  - b) a 'Licence Street' which is a street in which street trading is prohibited without a license granted by the District Council
  - c) a 'Prohibited Street' which is a street in which street trading is prohibited.
- 2.3 A 'Street' is defined as any road, footway, beach or other area to which the public has access without payment.

## **3. Designation of Streets**

### **3.1 Prohibited Streets**

- 3.1.1 No streets in Pendle are designated as Prohibited Streets

### **3.2 Consent Streets**

- 3.2.1 For the purpose for this Policy, the Council have designated all "streets" (as defined in Paragraph 1(1) of Schedule 4 to the Local Government (Miscellaneous Provisions) Act 1982) in the Borough of Pendle, or parts thereof, as CONSENT STREETS.
- 3.2.2 The Council is under no duty to grant a Street Trading Consent and need not specify any statutory grounds for refusal.

- 3.2.3 There is no statutory limitation on the Council's power to revoke or refuse to renew a Street Trading Consent.
- 3.2.4 There is no right of appeal against the refusal to grant or renew a Consent or against the revocation or variation of a Consent.
- 3.3 Licence Streets**
- 3.3.1 No streets in Pendle are designated as Licence Streets.

## **4. Sale of Alcohol**

- 4.1 In order for a street trader to sell alcohol, an authorisation under the Licensing Act 2003 would be required, in addition to a Street Trading Consent. Where an authorisation is granted under the Licensing Act 2003, additional conditions may be attached to the Street Trading Consent. These conditions may include but are not restricted to:-
- a) the Trader must adopt a challenge 25 Policy
  - b) restrictions on the sale of alcohol in open containers
  - c) times at which alcohol may be sold.
- 4.2 Any street trader wishing to sell alcohol should contact the Council's Licensing Section for further information.

## **5. Application Process**

- 5.1 In order to apply for a Street Trading Consent:
- a) the applicant must be over 17 years of age,
  - b) the application must be submitted to the Council's Licensing Section on the prescribed form,
  - c) a standard / basic CRB form not less than one calendar month old must accompany the application. If the applicant intends to employ any other person in the course of the business in respect of which the application for the consent is made, then a further separate such standard/basic CRB form shall be submitted in respect of each such employee,
  - d) if a vehicle is to be used, the applicant must submit insurance covering the vehicle for Street Trading,
  - e) the applicant must provide an up to date passport size photo,
  - f) the application must be accompanied by the relevant fee,
  - g) the name of the business must not be the same or similar to that of a existing static retail business or another street trader.
- 5.2 In considering applications for the grant or renewal of a street trading consent the following factors will be considered by the Council:

### 5.2.1 Public Safety

Whether the location of the trading activity represents, or is likely to represent, a substantial risk to the public from the point of view of obstruction, fire hazard, unhygienic conditions or danger that may occur when a trader is accessing the site.

### 5.2.2 Public Order

Whether the street trading activity represents, or is likely to represent, a substantial risk to public order.

### 5.2.3 The Avoidance of Public Nuisance

Whether the street trading activity represents, or is likely to represent, a substantial risk of nuisance to the public from noise or misbehaviour, particularly in residential areas.

### 5.2.4 Needs of the Area

(The demand for the articles for sale, and the geographical location of the proposed site).

The Council will always consider the sufficiency of other trading outlets to serve the needs of the area. A new Consent is unlikely to be granted where the Council consider that adequate like provision already exists. All Consents will be granted subject to a condition that the trader will not trade within 100 metres of a shop or other static trader selling the same or similar goods as those allowed to be sold under the Street Trading Consent concerned.

5.3 On receipt of a valid application, the Council's Licensing Section will consult with the Ward Councillors for the Ward within which the street or streets are situated and those Councillors may make written representations to the Licensing Committee about the application if they so wish.

5.4 If the application is made in accordance with the criteria in Paragraph 5.1 above, and Paragraph 5.2 above, then the Council's Licensing Section will deal with the granting of the application.

5.5 If:

5.5.1 The application is not made in accordance with the criteria in Paragraph 5.1 above or appears not to comply with any of the criteria in Paragraph 5.2 above, and/or

5.5.2 The CRB form referred to in Paragraph 5.1 (d) above reveals any adverse entries in respect of the applicant or any employee, then the Council's Licensing Committee will meet to determine the application, taking into account the responses to those consultations. The Licensing Committee will then either grant or refuse the application.

5.6 As stated above, the power to grant a street trading consent is a discretionary one and the Council may refuse to grant consent if they think fit.

5.7 If the consent is granted then the Council will send out the relevant certificate.

5.8 If the consent is refused then the Council will write to the applicant informing him of the decision.
