### **Section 215s completed by Legal**

There were no Section 215's completed by Legal, from 1<sup>st</sup> July till 30<sup>th</sup> September 2017.

### **Section 46 Notices**

Section 46 of the Environmental Protection Act (EPA) 1990 allows a waste collection authority to specify how waste is presented for collection, i.e. require an occupier to place waste for collection in receptacles of a kind and number specified. This is used to enforce separation of waste for recycling and also for the removal of containers from the public highway following the scheduled collection of waste.

There were 3 Section 46 Notices issued by Environmental Services between July and September 2017.

### **Section 79 Notices**

Section 79 of the Public Health Act 1936 allows a Local Authority to serve notice where the owner of the land / property has accumulated noxious matter i.e. food waste and the notice gives the owner 24 hours to remove the waste. On failure to act upon the Notice the Local Authority can remove the waste and recover the expenses of any actions taken.

There were no Section 79's carried out by Environmental Services between July and September 2017.

### **Community Protection Notice**

CPNs can be used by the Council to target those responsible for specific ongoing problems or nuisance which negatively affects the quality of life in a community. Examples of behaviour covered by CPN's include owners allowing dogs to persistently stray and or cause a nuisance, owners of dogs persistently allowing dogs to foul without then removing the waste and vehicle repair garages parking vehicles for repair on residential streets.

There were no actions undertaken via a Community Protection process by Neighbourhood Services between April and June 2017.

The table below identifies the total number of cases for the Borough, including active cases, received by Neighbourhood Services since the CPN process began in February 2015.
