- Please provide any additional comments in support of your representation We support Policy DM35 (Cultural and community facilities) which provides protection against the unnecessary loss of valued facilities in line with paragraph 97 of the NPPF (2023), as well as supports new and enhanced facilities. We urge the addition of 'and' after parts b. and c. of part 3 of this policy to avoid the policy being weakened and opening the possibility of the policy intention being undermined. This is because viability of facilities can be purposefully undermined, therefore demonstration of need/demand provides a safeguard.
