Please provide any additional comments in support of your representation It is vital to protect our green spaces and access to countryside. They are what make Colne extra special and they are vital for mental and physical health. My greatest concern is for the Upper Rough and I hope that this land can be protected from urban sprawl. It is houses Curlews who return each year and other bird life, along with bats and allows easy access to green spaces for the many residents of Colne who have no gardens. It is also an important gateway into Colne from Yorkshire. Its countryside is what makes Colne special and keeps people visiting and boosting our economy.
