- Please provide any additional comments in support of your representation I would like to support the policy of Local Green Spaces, DM 12 and particularly the designation of The Upper Rough, Castle Rd, Colne. This is important in the context of the Lidgett and Colne Conservation Area, it is an important ecological site particularly in respect of being a breeding ground for the Curlew. It is a heavily used recreational area with footpaths across the site providing linkages to Park High School and the East Colne Way. In conclusion I support this 100%.
