

To whom it may concern,

As a resident of Colne my entire life, I would like to extend my support for the land at the upper rough castle road (ref LGS/LP4/DM12/025) to be designated a local green space.

I feel the area is extremely important to the town and it is beneficial to the residents of Colne that it remains unspoilt.

The protection of this area of countryside is vital, as it provides habit for increasingly endangered wildlife.

I believe this designation would be a very positive step forward for Colne and would benefit the town as a whole.

Kind regards,

Daniel Wilkinson
