

Good morning

I'm writing to contribute to the local plan consultation.

The Barrowford Playing Fields are classed as a Protected Sports and Recreation Facility in the Colne Neighbourhood Plan (item CNDP10/8 under Policy CNDP10).

However, in the Pendle local plan they are part of the Site Allocations for Housebuilding - P083 and P111.

It is not appropriate to build houses on this site. It is an important local sport's facility. It should be classified in the Pendle plan in the same way as it is the Colne plan.

Houses should be built on brownfield sites.

Regards

Sally Sutcliffe
