

THE BOROUGH COUNCIL OF PENDLE

TOWN AND COUNTRY PLANNING ACT 1990

TOWN AND COUNTRY PLANNING (GENERAL PERMITTED
DEVELOPMENT) ORDER 1995

**Direction under Article 4(2) of the Town and Country Planning (General
Permitted Development) Order 1995 restricting permitted development**

1. The Borough Council of Pendle ("the Council") as local planning authority is satisfied that it is expedient that development described in the First Schedule shall not be carried out on any land or property within the Whitefield Conservation Area and described in the Second Schedule ("the Land") unless permission for that development is granted on application made under the Town and Country Planning Act 1990.
2. The Council therefore directs that the permission granted by Article 3 of the Town and Country Planning (General Permitted Development) Order 1995 ("the Order") shall not apply to the Land for the development listed in the First Schedule.
3. This Direction shall come into force in respect of any part of the Land on the date on which notice of the making of the Direction is received by the occupier of that part of the Land, or, if there is no occupier, the owner. If the Council considers that individual service on the owners or occupiers of the Land is impracticable because of the number of owners or because it is difficult to identify or locate one or more of them, the Council shall publish a notice of making of the Direction in a newspaper circulating in the locality of the Land and, in accordance with article 6(3) (b) of the Order, the Direction shall come into effect on the date on which the notice is first published. The Direction shall expire at the end of six months from the date upon which it is made unless confirmed within that period by the Council.
