Your representation(s) will be assigned a unique reference number, which you should use in all future correspondence relating to the Design Principles SPD.

Following the close of the consultation period, officers of Pendle Borough Council will carefully consider all the representations it has received and will recommend changes in the light of these comments. These recommended changes will be considered at a future meeting of the Council's Executive.

If agreed, these changes will be made to the draft document. It is anticipated that the final version of the Design Principles SPD will be adopted at a meeting of the Full Council in September 2009.

All respondents will be informed in writing or by email so that you can view the committee papers and report in advance of its adoption.
