BUDGET OVERVIEW

Budget Overview 2011/12

1. Introduction

- 1.1 On 17th February 2011 the Council approved a Budget Requirement for 2011/12 of £15.210m (compared to £17.526m for the previous year).
- 1.2 The budget requirement has reduced by c£2.316m. In addition to the net effect of inflation, savings and efficiencies, this also reflects the removal of the budget for the administration of concessionary fares (c£1.009m) as responsibility for this function will transfer to Lancashire County Council on 1st April 2011.
- 1.2 To fund this Budget Requirement, the Council set the Band D Council Tax rate for 2011/12 for the District at £240.38 (£240.38 in 2010/11), being no change from the previous financial year.
- 1.3 The total Band D Council Tax for 2011/12 (i.e. inclusive of the precepts for Lancashire County Council, the Lancashire Police Authority, the Lancashire Combined Fire & Rescue Authority and the average precept for parish/town councils) is £1,571.76 an increase of £0.02 or 0.04% compared to 2010/11. The actual rate will vary according to the precept issued for each Town and Parish Council area.

2 General Fund Revenue Budget 2011/12

- 2.1 The Council's Budget Requirement of £15.210m was set within the context of the Council's Medium Term Financial Plan. This provided for:
 - no pay inflation (with the exception of those staff on salaries of £21,000 or less);
 - staff increments payable as per current grades/contracts;
 - non pay inflation of 3.0% (although some budgets were cash limited);
 - pension contributions of 24.6%;
 - contract inflation as per amounts agreed in contracts;
 - fees and charges determined following the Income Review undertaken in October 2010.
- 2.2 Other key features of the budget include:
 - a reduction in the additional Government Funding through the Formula Grant of £2.269m (or 20%) (although this also reflects a reduction in grant funding arising from the transfer of responsibility for concessionary fares administration to Lancashire County Council). Excluding this transfer, the reduction in Formula Grant funding is 14%;
 - a payment of Transition Grant for 2011/12 of £2.813m;
 - an agreed net contribution from the Reserves of £1.468m in accordance with the Council's Balances and Reserves Strategy;
 - service efficiencies, savings and income generation proposals estimated to reduce the overall budget by c£1.2k in 2011/12;

2.3 A full summary of the Council's General Fund Revenue Budget is provided on page 4 of the Budget Book.

3 Council Tax 2011/12

3.1 The table below illustrates how the Council Tax for 2011/12 has been calculated:

		£	Band D £

*1 - Rates will vary according to Town/Parish Council area

3.2 Pendle Borough Council has not increased its share of the Council Tax for 2011/12.

4. Capital Programme 2011/12

4.1 The Council's Capital Programme for 2011/12 totals £8.452m (excluding slippage from 2010/11) made up as follows:-

	Programme 2011/12 £000
Private Sector Housing	6,707
Waste Collection	50
Asset Renewal	215
Parks and Recreational Services	911
Area Committees	300
Other General Capital Schemes	269
TOTAL	8,452

4.2 A full analysis of the Capital Programme, together with the means of financing, is provided on pages 116 and 118.

5. Key Features of the Presentation of the Budget Book

5.1 As in previous years, to ensure greater accountability for financial performance, the presentation of the budget has a number of features:

- a list of Budget Managers is provided on pages 5 to 6;
- for each budget head, the relevant Budget Manager has been included within the heading;
- For each scheme within the Capital Programme, the Lead Officer has been included;
- 5.2 It is expected that Service Managers will delegate greater responsibility for budget management to certain nominated Officers where this arrangement does not already exist within Service Units. Not only should this bring about a greater degree of 'ownership' of budgets but also will ensure that those Officers closest to the point of service provision contribute fully to budget preparation and budgetary control.
- 5.3 Improvements in presentation continue to be sought and any comments and feedback in this regard are welcomed.

Dean Langton, CPFA Chief Finance Officer March 2011

Notes

Corporate management costs relate to those activities undertaken because the Council is an elected multipurpose authority. These costs are therefore over and above the costs which a series of independent, single purpose bodies would incur in managing the same services; and these costs are therefore not allocated directly to individual services.

This cost centre includes the cost of resources used in supporting housing renewal initiatives and a wide range of partnership working.

Examples of corporate management costs include the costs of servicing councillors and meetings, the corporate core of the authority, corporate policy making and management, complying with government and statutory requirements and pursuing resource procurement.

Internal Market is the term which describes the allocation of costs from the Council's central directorate and Service Areas to individual cost centres (budget heads).

All costs which can reasonably be attributed to specific Council services are charged out to those services and not included in corporate management costs.

Development & Sustainability

This budget supports initiatives and training on sustainability issues, and various initiatives to achieve the Council's Sustainability Action Plan.

For further information, contact Paul Hussey : Head of Policy

(Telephone 01282 661667)

Contact Centre

The contact centre is being developed in partnership with Lancashire County Council and five other district councils in Lancashire. The contribution is to the County Council, as the borough's share of the scheme's annual running costs. Staff costs are included (as internal market) in the appropriate service cost centres.

For further information, contact Philip Mousdale : Director (Services) and Deputy Chief Executive

Notes

CCTV

Closed circuit television (CCTV) is designed to take measures to prevent and detect street crime such as assualt, vehicle theft, drugs offences etc. The council are responsible (often in consultation with local police) for the siting and monitoring of town centre CCTV cameras.

Community Safety Partnership

The Council's grant to the Community Safety Partnership is to support a variety of local community safety issues.

Donations

The Multi-Racial Playbus scheme uses a converted bus to offer seasonal play for children aged 2-4 years, at two sites, on Monday and Thursday. The service is targeted both on areas which lack play facilities and on children who have few opportunities for social play outside the home. Children with special needs are welcomed.

The Council supports the Pendle Citizens' Advice Bureau in providing "free, confidential, impartial advice to everyone, regardless of race, gender, ethnicity, sexual orientation and disability" through its offices in Barnoldswick, Colne and Nelson.

The budget for Sports Development is mainly to subsidise Nelson Swimming Club, also the three senior football clubs in the borough and individual grants.

Grants to Other Organisations are made to support the work of advice and welfare organisations such as Samaritans, Pendle Pakistan Welfare and ITHAAD and for one-off grants to other voluntary bodies.

Arts Development & Support

Grants to Cultural Organisations

Supporting the work of a number of musical and theatrical groups based in Pendle. The grants pay for the hire of halls for rehearsals and performances and for the cost of honoraria for musical directors, tutors and conductors. A grant is also made to the local musical and arts festival.

Sports Development

The budget for Sports Development is mainly to subsidise Nelson Swimming Club, also the three senior football clubs in the borough and individual grants.

Heritage

Barnoldswick and Colne Heritage Exhibition

Areas within the public libraries used for exhibitions relating to the heritage of the town. The exhibitions consist mainly of illustrative panels and artefacts. Subjects covered have included "Methodism" in Barnoldswick and "Living off the Land" at Colne. Most of the production is by the Heritage Trust for the North West.

Heritage Trust for the North West

This organisation is based at Park Hill in Barrowford and maintains the Pendle Heritage Centre which, comprises of a museum, gallery, an 18th Century walled garden, a cruck barn with animals, a tea room, parlour shop and tourist information centre.

Bad Debts Write Offs

Whilst every effort is made to recover income due, some provision for bad debts is made, consistent with the external auditor's advice. This relates to income which is the subject of invoices sent out, and does not concern council tax, business rents or housing rents; write offs are the subject of periodic report to members.

External Audit Fees

There is a statutory requirement for the Council's accounts to be audited by an external auditor approved by the Audit Commission, the current auditors are the Audit Commission. The fees cover, not only the Council's accounts, but also governance and performance issues, inspections and the certification of grant claims.

Parish Councils

This budget item covers basic grant paid to the parish and town councils in the Pendle areas along with the election expenses for the election of parish councillors.

Parish and town councils are independent bodies with the power to precept on dwellings in their area (levied as an addition to the council tax); they come to their own decisions on precepts, taking into account the basic grant offered by this Council, and advise the Council accordingly by mid-February each year.

Details of basic grant and precepts (based on band D valuation) for 2011/12 are shown below:

Employment Schemes

The Modern Apprenticeship Scheme continues to be a successful approach to recruiting and training local young people to prepare for careers in local government.

Other Employee Issues

Relocation Allowance -

Paid to employees who have been appointed and need to move house to take up the post.

Qualification Training -

This budget pays for employees working towards a formal qualification, professional or NVQ.

Long Service Awards

In recognition of 25 years continuous Local Government service (at least 10 of which has been served with Pendle). Medical Expenses -

Pre-employment medical examinations, referrals where employees are absent from work through sickness,

medicals for HGV drivers resitting their licence and any sight tests for PSV driving or operating screen equipment. Any health promotion events are also funded from this budget.

Advertising and Interviews -

This budget pays for the cost of advertisements, interview expenses, bulk photocopying of recruitment packs. Central Training Pool -

The Council provides skill development for employees in line with business needs. There are a range of training initiatives, including health and safety etc. There are approximately 1000 training days per annum.

This service is managed by Liberata, as part of the Council's public/private partnership.

Notes

Pendle Borough Council lets and maintains 66 commercial properties (shops and offices) and 3,000 miscellaneous properties for investment purposes thus, generating revenue of approximately £380,000 annually. The miscellaneous properties include garage sites, caravan sites and garden plots (but not allotments).

The aim of Estates and Property Services is to maximise revenue from the property holdings and encourage growth, retention and expansion of local small businesses within the town centres and throughout the Borough.

This service is managed by Liberata, as part of the Council's public/private partnership.

Notes

The Council manages two indoor market halls, two outdoor markets and a farmers market.

The markets provide retail space for existing and new retail traders, and provide attractive shopping facilities for the public, whilst also assisting in the regeneration of the town centres. In providing the service, the Council aims to optimise revenue income to give a realistic rate of return on the assets used. Locations as follows:

Nelson

- The Pendle Rise Market Place, Leeds Road Indoor Market Hall below Pendle Rise, with 65 stalls; open Monday-Saturday 9.00am to 5.15pm Tuesday 9.00am to 2.00pm.
- Street Market: Leeds Road
 - 25 Pitches available for general retail goods on Fridays

Colne

- Colne Market Hall, Market Street 58 Stalls; open Monday-Saturday 9.00am to 5.00pm (excluding Tuesday).
- Open Market, Adjacent to The Market Hall, Market Street 45 Pitches available for general retail goods on Wednesday and Saturdays.
- Colne Farmers Market Held on the third Saturday of every month.

Area Committee function.

This service is managed by Liberata, as part of the Council's public/private partnership.

NNDR Cost of Collection

Central government took over the responsibility for setting the non domestic rate on 1st April 1990. The National Non-Domestic Rate (NNDR), is set by Central Government but administered by local authorities. The proceeds are pooled by Central Government and redistributed to local authorities by reference to the resident population of each area and the services which the authority is responsible.

The above budget indicates the net cost of administering the scheme and the cost of the Council's discretionary relief (to charities and non-profit making organisations).

Charities receive mandatory relief of 80% of their rate bill (fully funded by Central Government). The Council has the power to top up the other 20% but must fund 75% of the amount granted. The Council can grant discretionary rate relief to non profit making organisations (the Council must fund 25% of the cost of discretionary relief). Certain business premises in designated rural areas (normally small villages) receive 50% mandatory relief (the Council top up this relief to 100%; the Council has to meet 25% of the top up cost).

The Council:-

- collects £15M p.a. from NNDR (in the Collection Fund);
- administers NNDR in relation to 3,300 non domestic properties in Pendle.

This service is managed by Liberata, as part of the Council's public/private partnership.

Council Tax

This budget head concerns the costs of operating and administering the Council Tax (introduced by the Government from 1st April 1993). Actual Council Tax receipts and payment of precepts are accounted for in the Collection Fund (details elsewhere in this booklet).

The Council is responsible for billing, collecting and recovering council tax from over 39,300 dwellings in the Borough. Dwellings are charged on the basis of bands of capital value. The £40M p.a. collected through the Council Tax funds the precepts made by Lancashire County Council, Lancashire Police Authority, Lancashire Combined Fire Authority, Pendle Borough Council and a number of Parish and Town Councils for the services they provide.

Bills are issued to all households and payment is normally made by ten instalments. Administration of the Council Tax includes processing exemptions and discounts as well as changes in liability through the year, and taking steps to recover debts as appropriate.

This service is managed by Liberata, as part of the Council's public/private partnership.

Benefits : Council Tax

Occupiers can claim a rebate from their council tax based on their income. People whose income is at or below the income support level normally receive maximum benefit. Over 9,300 occupiers claim council tax benefit each year. Council tax benefit is credited to the taxpayers account and a net bill is sent.

The Government's funding arrangement are to fund about 100% of the benefit paid and pay an amount towards administration (equivalent to 60% of the Council's cost of administration in 2006/07).

This service is managed by Liberata, as part of the Council's public/private partnership.

Notes

Tenants of private sector dwellings may claim housing benefit depending on their circumstances. The claim process is operated under detailed rules set by the Government. Rent levels are controlled by the rent officer service, so in many cases the full rent is not met.

About 6,000 tenants claim rent allowance in Pendle and payment is normally made monthly in arrears (2,300 of which transferred from Pendle Council to Housing Pendle under Local stock Voluntary Transfer in October 2006).

The Government's funding arrangements are to fund about 100% of the benefit paid and pay an amount towards towards administration (equivalent to 60% of the Council's cost of administration in 2005/06).

This service is managed by Liberata, as part of the Council's public/private partnership.

Notes

The Council used to be a major provider of mortgages, but applicants in recent years have been encouraged to approach building societies and other financial institutions. The Council is now a lender of last resort and the few new loans granted now relate to defective dwellings previously owned by the Council.

This service is managed by Liberata, as part of the Council's public/private partnership.

S1202 Elections (continued)

Notes

Registration of Electors

The Register of Electors is a list of names and addresses of people who are entitled to vote. It is compiled each year with a qualifying date of 15th October, is published on the 1st December and is in force for all elections which take place in the following twelve months.

The Borough of Pendle is currently split into 20 wards and the number of electors appearing on the 2011 Register of Electors is 67,778. The Register is available for public inspection under supervision and there are two versions of it. The full register contains the names and addresses of all those registered to vote and can only be used for certain purposes. The edited register leaves out the names and addresses of people who have specifically requested this and is available or general sale.

Council Elections

The Council currently comprises 49 members elected by thirds, whereby local elections for the Borough Council take place three years out of four, with elections for the County Council being held the fourth year.

Local turnout for the elections in May 2010 was 66.39%

Notes

Building Control's main purpose is to provide a Building Regulations service to those people who carry out building work in Pendle. The service includes advice, support, plan checking and site inspections and is intended to help builders comply with the requirements of the Building Regulations.

Almost all building work requires approval under the Building regulations and the primary legislation is the Building Act 1984, under which building regulations are made. Fees are charged for most of the work carried out and we are in competition with private sector building control.

The service consists of:-

- a) building regulations applications and enforcement;
- b) dangerous buildings and demolitions;

During 2008/09 the Building Control Service carried out 4,000 individual inspections of work in progress and checked 3,079 applications valued at £40M.

Area Committee function.

Notes

-

Planning law requires that planning permission is required where development is involved. For some small scale developments, planning permission is granted by statute. Each year the Council considers about 800 planning applications for development in addition to works to trees.

Planning Delivery Grant is shown partly on this page and partly on the next page (Planning Policy); associated expenditure is included partly in Planning Policy and partly in Service Areas.

Area Committee function.

S1303 Notes

Planning Policy

The Local Development Framework (LDF) is prepared in the context of the Regional Spatial Strategy and national planning policy. In 2004 a new Planning Act has significantly altered the way Plans will be prepared in future.

The purpose of the LDF is to:-

- a) provide a spatial way for Pendle to develop
- b) co-ordinate development and provide a degree of certainty for development proposals;
- set out constraints to development and indicate those aspects of the environment which can be protected c) by land use policies;

The Replacement Pendle Local Plan (2001-2016) was formally adopted by the Full Council on Thursday 18th May 2006. It is being replaced by the LDF

Planning Delivery Grant is shown partly on this page and partly on the previous page (Development Control); associated expenditure is included partly in Planning Policy and partly in Service Areas.

General Environmental Enhancement

Grounds : Repair & Maintenance

This maintains the sites under the control of Planning and Building Control Services, located in the following areas:-

West Craven	Westgone Barnoldswick, 2 on Colne Road Sough;
Barrowford and Western Parishes	Pendle St Barrowford, Back White Bear Inn Barrowford,
	Gisburn Road Barrowford;
Brierfield and Reedley	Regent St Brierfield;

Notes

The Council has a statutory duty to provide temporary accommodation to those households who present as homeless or threatened with homelessness, pending investigation into their circumstances. The households must have a "priority need" in that they have children, are pregnant or are vulnerable in some way, for the Council to have this duty.

The Council have two properties which are both two bedroomed terraced houses which can accommodate a single family each. However, in order to meet need for temporary accommodation it is necessary to pay for temporary bed and breakfast accommodation in the private sector. The aim is to maximise housing benefit to reduce the cost to the Council.

In 2007/08 the Council paid for 1,543 nights of bed & breakfast accommodation. It is likely that this figure will be slightly reduced for 2008/09.

The budget also covers the removal and storage of furniture as the Council has a statutory duty to households in its care to prevent the loss of, or mitigate the damage to, their property. This budget also covers a small fund to help prevent homelessness where reasonable to do so, thus containing and hopefully reducing the spend on temporary accommodation.

Notes

This budget (based on officer staff time) concerns the Council's strategy and responsibilities in relation to housing in the borough - both private sector housing and public sector housing. Service strategy includes assessing and planning the Council's response to housing need, and includes (for example) submission to the Government on housing investment needs and liaison with housing associations. It represents the activities which would be required even if the Council had no direct management responsibilities for the housing service.

Notes

This budget includes costs associated with all the Council's private sector housing functions. It supports various area renewal initiatives, clearance activity and site maintenance of land acquired over a number of years for these purposes.

It includes enforcement of housing conditions in the private rented sector, landlord accreditation, work towards the introduction of selective licencing and activity related to the Council's strategies on energy efficiency and empty homes. It includes a direct contribution towards the running costs of the local Home Improvement Agency. Fee income relates to charges made through Private Sector Housing's in-house agency service for individual grant projects and block improvement schemes

Revenue resources are required to complement these activities by working with residents of the area looking at ways of tackling outstanding problems and considering ways to encourage ongoing maintenance and repair of property. To this end there is a requirement for Private Sector Housing Staff to publish notices, issue letters and advisory leaflets and hold meetings to advise residents across the Borough.

Notes

Accommodation and support for women fleeing domestic violence. The facility offers women a safe haven for both them and their children, offering counselling and support to rebuild their lives. Some work is purely of an outreach nature helping women resolve their situation without actually moving into the refuge.

The accommodation has undergone total renovation including having an extension built and reopened early in January 2006. This has meant the enlargement of the facility from six to nine rooms. The improved facility also now attracts increased rental income due to a rise in rents and greater usage of the facility. Budgets are expected to remain largely unchanged in 2008/09 from 2007/08

Notes

This budget supports the implementation of the Council's Tourism Strategy. The principal areas of expenditure include the placement of advertising in national tourism and leisure publications, to promote the Pendle area to a wider audience; publication of the annual Discovery Guide; costs associated with the circulation of publicity material to Tourist Information centres throughout the UK and the costs associated with attendance at exhibitions.

For further information, contact Dorothy Morris : Economic Development and Tourism Manager

(Telephone 01282 661681)

The budget also funds the tourist support provided at the Council's area offices in Nelson, Colne, Brierfield, Barnoldswick and Earby.

Notes

To produce a wide range of publications that provide detailed information to both local and inward moving businesses, in order to help safeguard existing jobs and help to create new employment opportunities.

Expenditure is most often associated with the production of the monthly register of vacant industrial, commercial and retail property, the bi-annual Companies Register and intermittent advertising and direct mail campaigns on a variety of topics.

An annual contribution to the North West Aerospace Alliance also comes from this budget.

Notes

The new Discover Pendle Centre, located directly in front of the new Boundary Mill Store, Colne opened its doors to the public in March 2009. It is open seven days a week, Monday - Friday 9am until 8pm, Saturday 10am until 6pm and Sunday 10am until 5pm.

The Discover Pendle Centre is oficially designated a Gateway Centre by the Lancashire & Blackpool Tourist Board, and is also an Official Information Partner with Enjoy England (the English National Tourist Board). It aims to attract many of the two and a half million visitors to Boundary Mill each year and provides a range of information about what to see and do in Pendle.

The centre offers:

- Information on what to see and do in Pendle and beyond
- An accommodation booking service
- Information and a booking service for events at Colne Municipal Hall
- An interactive map display with information about the area
- Audio-visual displays about Pendle
- Brochures about all the local visitor attractions
- Information on local events
- Assistance in planning your trip to and around Pendle
- Souvenirs and local products
- Books, maps and guides

Notes

This function (carried out under the new Street Services Agreement with the County Council which runs from 2009 -2012) provides design and supervision of works to streets which are currently unadopted but may be brought upto a standard whereby they are maintained at public expense. Private street works are undertaken if the majority of frontagers agree to adoption of the road by the Council and are willing to pay their proportion of the costs. The Council's involvement is in enabling improvements, not paying for works (unless on land where the Council is the frontager).

Notes

Under the Street Services Agreement with LCC (following the dissolution of the LHP), Pendle continues to provide some functions for the highway authority.

Pendle allocates additional funding to that provided by LCC to provide an enhanced level of maintenance. (NB: The allocation from LCC per kilometre is greater than the 'standard' rate elsewhere in the County to replenish Pendle's contribution.

Additionally, Pendle promotes use of the network to encourage a healthy lifestyle and to promote tourism.

This budget is supplemented by the Corporate and Area Committee Capital Programme.

Notes

Pendle operates 49 public car parks providing 1,597 spaces. All parking is free in Nelson, Colne and Brierfield. The short-stay (maximum 2 1/2 hours) car parks are managed using a disc parking system. With the decriminalisation of parking enforcement (introduced in Lancashire September 2004), new arrangements were developed (called Parkwise) in partnership with Lancashire County Council to improve on and off street enforcement. Parkwise ceased in September 2009 and as of 7th September 2009 off-street parking enforcement is now carried out by Legion Parking Services on behalf of Pendle Borough Council. The administration of parking enforcement is carried out by Chipside. Chipside are also working with 7 other Lancashire district councils to provide a back office support for off-street parking enforcement. Any penalty charge notice income received is used to meet costs relating to off street parking (any surplus arising is retained by Pendle). On street parking is now dealt with by Lancashire County Council under the name Lancashire Parking Services.

In addition, the Capital Programme (asset renewal) provides for a rolling programme of car park refurbishment.

Since 2002, Pendle Council has been part of the Burnley and Pendle Quality Bus Partnership; this partnership with the County Council and Burnley and Pendle bus company has provided upgraded bus waiting facilities on the Burnley-Nelson-Colne mainline route. New bus shelters have been provided and Pendle is expected to maintain these to a good standard, including interior lighting.

The Capital Programme (asset management) also provides for a rolling programme of renewal.

Notes

Pendle operates bus stations in Nelson, Colne and Earby. Bus operators pay the Authority on a degree of usage basis, referred to as "departure charges".

A new Nelson Interchange opened in December 2008. Improvements to bus termini at Barnoldswick and Earby have been completed, largely using LTP (Local Transport Plan) funding.

Notes

Land Drainage : Non Agency

This service deals with drainage problems which are situated off the highway. The Council has a statutory responsibility in relation to drainage problems on land owned by the Council, and discretionary powers in relation to other land off the highway (where on occasions advice and/or liaison with landowners is required).

From April 2008 the Council has a 3 year Framework Agreement (with the possibility of a 1 year extension) working with the Environment Agency for the maintenance and improvement of the watercourses in Pendle (i.e. ones subject to flooding properties), for which DEFRA has identified additional funding for works and staff.

Some additional funding is allocated via the Capital Programme.

Area Committee function.

Notes

Taxi Licensing

All taxis in Pendle must be licensed vehicles driven by licensed drivers and, if appropriate, run by a licensed private hire operator. There are two types of licences private hire (these can only be used by people who have pre-booked) and hackney carriage (these can be 'flagged down' on the road or picked up from a taxi rank). Currently there are 186 private hire vehicles and 71 hackney carriage vehicles licensed, with overall 455 licensed drivers.

The Department for Transport recommends a Hackney Carriage demand survey be conducted every 3 years.

S1401	Street Cleansing (continued)						

Notes

This statutory function deals with:

- the problem of litter control through cyclical street cleansing;
- clean-up campaigns;
- leaf sweeping;
- fly-tipping;
- provision of litter / dog waste bins.

The Street Cleaning function:

- is responsible for cleaning 683 kilometres (427 miles) of roads;
- empties 1,381 litter bins on average 3 times per week;
- empties 714 dog bins twice per week;
- employs approximately 21 operatives; 9 town centre hand sweepers, 8 mechanical sweepers and 4 litter bin emptier / fliers for fly-tipping;
- has the following plant:
 - 6 Johnson Compact C40 pedestrian sweepers;
 - 1 main road sweeper;
 - 2 pedestrian sweeper (used on town centres);
- a gum buster machine is used on a frequent basis to remove chewing gum from town centres, cleaning back streets and the removal of graffiti.
- neighbourhood pride scheme is funded until March 2008 from the Neighbourhood Renewal Fund. It provides communities in the borough's 8 deprived wards with education and awareness of caring for their environment. The scheme also provides for the removal of waste from the back streets of these wards.

Notes

The Environmental Protection Act 1990 requires local authorities to remove household waste (there is no power to charge for this service). The Council operates an alternative weekly collection of dry recyclable waste, garden waste and residual waste. Other services include removal of domestic bulky items from properties within the borough.

Three-streamed and residual waste collection rounds are made alternative weeks for two zones:

- Zones 1-5 West Craven, Colne, Laneshawbridge
- Zones 6-10 Nelson, Brierfield, Barrowford and Western Parishes

The collections are for:

- Dry recyclables in boxes and plastic sacks
- Garden waste in 240 or 140 litre green wheeled bins
- Residual waste in 240 or 140 litre grey wheeled bins or orange sacks up to 4 sacks per fortnight

The total waste collected is 34102 tonnes from 39382 properties of which 10856 tonnes is recycled or sent for composting.

- Employing 43 operatives
 - 12 operatives employed on residual waste collection including farm round
 - 31 operatives employed on recyclable collection round

Notes

This service involves recycling paper, glass, cans, textiles, books and forms part of the Government's targets to reduce household waste. The targets are:

- a) Recycle 25% of household waste by year 2005.
- b) Recycle 30% of household waste by year 2010.
- c) Recycle 33% of household waste by year 2015.

During 2005, the Council introduced a three-stream segregated waste collection system for at least 90% of the Borough's households. This entailed the introduction of wheeled bins for domestic refuse, a garden waste collection service for each property with a garden and the collection of six "dry" recyclables, i.e. paper, card, glass, cans, textiles and plastic bottles.

S1502 Environmental Health Services (continued)

Notes (continued)

Air Pollution

Air pollution control includes:

- the authorisation of prescribed premises in accordance with Part I of the Environmental Protection Act 1990;
- control of industrial, commercial and domestic statutory nuisances;
- air quality management and monitoring responsibilities.

Noise Control

Investigation of domestic, commercial and industrial noise nuisances in accordance with the statutory nuisance provisions of the Environmental Protection Act 1990, Control of Pollution Act 1974 and other associated legislation.

Occupational Health

This function includes:

- routine inspection of premises in accordance with the Health and Safety at Work Act 1974;
- registration of relevant premises;
- investigation of occupational accidents, complaints etc.

Public Health

Wide range of statutory services associated with:

- the safety of water supplies;
- control of public health nuisances;
- smoke free premises
- communicable disease control etc.
- contaminated land

This budget also covers the cost of work carried out by the Council on private sector property under various Acts. The expenditure usually arises from a complaint by a member of the public about the state of a neighbouring building, relating to e.g. drains, gutters, accumulated rubbish or problems connected with an empty property. If the complaint is justified a notice will be served on the owner to carry out the works necessary to remove the problem. If the owner does not quickly comply the Council will arrange for the work to be done, the cost being recharged to the owner.

Area Committee function.

Pest Control

Wide range of pest control services within the Council's remit, including:

- rodent control;
- public health;
- insect pests;
- wasps nest etc.

Most of the work is demand led although a small proportion is programmed treatment.

For further information, contact Philip Mousdale : Director (Services) and Deputy Chief Executive (01282 661634)

Notes

The Collection Fund is the statutory account which handles:

- receipts from the council tax
- precepts from the major precepting authorities
- precepts from minor precepting authorities (parish and town councils)
- receipts from the national non-domestic rate and payments on to the Government

Pendle Borough Council is the council tax billing authority and the administering authority for the Collection Fund.

The council tax is based on precepts decided by the respective precepting authorities. Estimates for income from council tax for the year 2011/12 are based on a tax base of 26,897 band-D-equivalents and an overall collection rate of 97.5%

The national non-domestic rate (NNDR) is a Government scheme; receipts are passed on to the Government (who give an allowance to the billing authority for administrative costs). The NNDR is based on a nationally determined rate in the pound as applied to the rateable value of individual commercial and industrial properties. The two multipliers are: the standard multiplier at 43.3p and the small business multiplier at 42.6p (the standard multiplier is higher to pay for the small business rate relief).

Billing and major precepting authorities are required to share any surplus or make a contribution towards any Collection Fund deficit from previous years.

The Collection Fund is operated in line with detailed statutory requirements.
