Dear Mr. Thomas,

Thank you for your e-mail and attached letter.

I can confirm that at the present time National Trust wishes to take part in the Hearing Sessions with specific reference to its objections to Objective 10 of the Core Strategy.

As far as the Trust is aware no proposed Modifications have been proposed to date by the Council that would address the on-going concerns that have been expressed by the Trust. However, the Trust remains willing to discuss the matter with the Council including in relation to the amended wording that we have suggested.

I note that my contact details are as set out below.

Kind regards,

Alan Hubbard
