COUNCIL TAX ONLINE GUIDES

Q. I don't have an Online key. Where is it?

A. Online keys are printed on all bills and notices, such as reminders. You need to use the one shown on your latest bill or notice. This is a security device to ensure that taxpayers can only access their records. If you can't find a key contact the Council Tax section who will send a new bill with a new key.

Q. The name shown on the bill is incorrect e.g. misspelt. What do I enter?

A. Enter the name as it appears on the bill. You can go Online to correct it by selecting 'Council Tax **Update**' on the **Council Tax Online** home page.

Q. I have input the address correctly but I am getting a message saying it cannot be found?

A. Make sure you enter the property address as shown on the bill. This should be the address for which Council Tax is being charged. Check you have left a space between the first and second part of the post code and input the correct start of the address e.g. if the bill shows 'Apartment 22' then entering just '22' in the Number field will not find the property you are after.

Q. I have put in all my details but I am getting this message –

 The credentials you have entered are invalid

A. Is your full name shown on your bill? If there is no first name or only an initial e.g. Mr J Smith, **the Council Tax Online** Service cannot verify your details. Please contact the Council Tax office to have your full name on our records.

Check the name entered is the same as shown on your bill. Ensure you have entered the full 8 digit account number.

If that does not work, go to your browser settings and clear your browsing history.

If you are still having difficulties please send details of what you were trying to do and, if possible, screen prints to customerservices@pendle.gov.uk.
