SECOND SCHEDULE

This Order shall not apply so as to require the consent of the authority to

- (1) the cutting down of any tree on land which is subject to a forestry dedication covenant where
 - (a) any positive covenants on the part of the owner of the land contained in the same deed as the forestry dedication covenant and at the time of the cutting down binding on the then owner of the land are fulfilled;
 (b) the cutting down is in accordance with a plan of operations approved by the Forestry Commission under such deed.
- (2) the cutting down of any tree which is in accordance with a plan of operations approved by the Forestry Commission under the approved woodlands scheme.
- (3) The cutting down, topping or lopping of a tree exempted from the provisions of this Order be section 29(7) of the Act namely a tree which is dying or dead or has become dangerous, or the cutting down, topping or lopping of which is in compliance with obligations imposed by or under an Act of Parliament or so far as may be necessary for the prevention or abatement of a nuisance.

NOTE: Section 13(1) of the Civic Amenities Act 1967 requires, unless on the application of the owner the local authority dispense with the requirement, that any tree removed or destroyed under section 29(7) of the Town and Country Planning Act 1962, shall be replaced by another tree of appropriate size and species. In order to enable the local planning authority to come to a decision, on whether or not to dispense with the requirement, notice of the proposed action should be given to the local planning authority which except in a case of emergency shall be of not less than five days.

- (4) the cutting down, topping or lopping of a tree
 - (a) in pursuance of the power conferred on the Postmaster General by virtue of section 5 of the Telegraph (Construction) Act 1908;
