INTERNAL AUDIT UNIT – PROGRESS REPORT

PURPOSE OF REPORT

1. The purpose of this report is to provide Members with an update on progress against the Internal Audit Plan for 2015/16 as at 31st December 2015.

RECOMMENDATION

2. It is recommended that Members:-
 - a) Note the progress made against the Audit Plan for 2015/16 set out at [Appendix A](#).
 - b) Agree the adjustments to the Audit Plan for 2015/16 as set out in the table attached at [Appendix B](#).

REASONS FOR RECOMMENDATION

3. To ensure that Members are kept informed of the ongoing progress relating to the Internal Audit Plan.

AUDIT PLAN 2015/16

4. The Internal Audit Plan for 2015/16 was drawn up using risk based analysis of the Council's systems and services and an estimate of staff leave and training requirements. The Plan currently comprises a total of 602 days audit time and is estimated to provide coverage of 60% of all auditable systems.
5. In order to ensure Members are kept informed of progress made against the Plan, regular monitoring reports are submitted to this Committee for consideration.
6. Attached at [Appendix A](#) are details of the work completed on system audits by the Internal Audit Unit for the period ending 31st December 2015. This provides a summary of the work performed and particulars of any significant issues that have arisen during this period. It can be reported that no "Limited Assurance" audit opinions have been issued. There was one Limited Assurance audit from 2014-15 which was followed up during this period and as a

result of management action taken this area was revisited and a “Substantial Assurance” audit opinion issued.

7. To the 31st December 2015 Internal Audit has used 435 days of staff resources. Bank Holidays and normal staff leave have accounted for 87.5 days. Professional CPD training and seminars have accounted for a further 7.0 days.
8. The percentage of days used for audits compared to the total days available to the end of December is 66.57%, the target is 70%. It is envisaged that the audit plan will be completed on target.

Classifications

At the conclusion of each audit an overall opinion is given on the level of assurance which it is considered is provided by the controls in place within the audited system. The following classification of assurance levels has been adopted:

Level	Definition
1. Full Assurance	The controls appear to be consistently applied.
2. Substantial Assurance	Evidence was identified to suggest that the level of non-compliance with controls may put some of the system objectives at risk.
3. Limited Assurance	The level of non-compliance identified places the system objectives at risk.
4. None	Significant non-compliance with controls was identified leaving the system vulnerable to error and abuse.

Priority of Recommendations

Audit recommendations are categorized by three priority levels: -

- Priority 1** Major issues that we consider need to be brought to the attention of senior management.
- Priority 2** Important issues which should be addressed by Management in their area of responsibility.
- Priority 3** Minor issues, which provide scope for operational improvement.
