

**BIDS FOR FUNDING FROM AREA COMMITTEES
CAPITAL (AND REVENUE) PRO FORMA**

Short Project Title: Changing Places Disabled bathroom facility

Bid submitted by: John McBeth

On behalf of (please include contact details): Pendle Support, Stanley Villas, 63 Albert Road, Colne, BB8 0BP 01282 504504

Brief Details of the Organisation's Constitution and Financial Standing:

Pendle Support is a private business trading for over 11 years and we support over 80 children and adults with learning disabilities from the Pendle area and beyond (east Lancashire).

Amount requested: £ 2000

Brief details of Project: To enable the completion of a disabled bathroom and toilet facilities which will be a designated " Changing Place"the only one in Pendle and the surrounding area (see MAP attached) . LCC have already given £15,000 to assist with the funding of this facility.

The facility will be available to the people that need it in the community, not just the people that Pendle Support provide a service too. It will be a community asset. This asset will help people that may be awaiting a disabled facilities grant for example to adapt their own home but currently have no facilities to access. This facility will allow people to be in the community for longer rather than close to home because they need to access specialised equipment to help them use the toilet or to receive personal care.

This facility will be the only one in Pendle.

Changing Places are Mencap approved facilities

The Changing Places Consortium launched its campaign in 2006 on behalf of the 1/4 of a million people who cannot use standard accessible toilets. This includes people with profound and multiple learning disabilities, motor

neurone disease, multiple sclerosis, cerebral palsy, as well as older people. To use the toilet in safety and comfort, many people need to be able to access a Changing Places, which have more space and the right equipment,

including a height adjustable changing bench and a hoist.

Main Outcomes to be Achieved:

To support disabled residents of Pendle and the wider area to have an accessible place to use a toilet and receive other forms of personal care such as washing and showering thus allowing them to use the community more and to have a better quality of life.

When will Project be implemented? Within 2 months.

Who will undertake the Project works? Astor Bannerman a specialised company who fit disabled bathrooms.

Is the bid for capital or revenue funding? Capital Funding

Is there match funding for the Project from elsewhere? Lancashire County Council have given £15,000

If so, please give details:

Are there long-term revenue consequences and how will these be funded?
Cost to service the equipment to be borne by Pendle Support.
