## SUPPLEMENTAL AGENDA

### 1. Age Limit of Licensed Vehicles

Under the Council's Call-In procedure, the decision taken with regard to the above has been called in as it was felt that:

"We believe the introduction of an 11 year age limit for all licensed vehicles will put public safety at risk. Pendle currently has a very poor failure rate for spot checks; some 61% of vehicles failed their checks in 2015. Extending the current age limit by a further 2 years doesn't provide any encouragement for the trade to keep their vehicles in good condition."

A meeting of Scrutiny Group Spokespersons, Members who called-in the item, the Leader of the Council and relevant officers was held on 23<sup>rd</sup> May, 2016 to discuss the matter further.

**Enc.** A note of the meeting is attached.
