Criminal damage	1	0	0	1	0	0	0
Violent crime	3	0	0	0	0	1	0
Drugs offences	0	0	0	0	0	0	0

I have looked at the ASB incident logs for the same period and find that there are only 9 calls of nuisance (our ASB classification splits into classes designated nuisance as well as “personal” so I have viewed these personal ones and they are not relevant to anti social behaviour) All of which relate to the Barrowford area.

Of these, 3 relate to youths around the park or its immediate surrounding streets, 1 to kids playing football on Booths car park, 1 drunken male on the street (Nora Street) and kids climbing on a wall of Nora Street.
