Short Project Title: Higherford Lampposts Repainting

Bid submitted by: Hugh Simpson

On behalf of (please include contact details):

Higherford Residents Action Group
c/o 10 Calder View, Barrowford NELSON BB9 6AQ

Brief Details of the Organisation's Constitution and Financial Standing:

We are a formally constituted not for profit voluntary organisation with a small income from a residents lottery which is used to make environmental improvements in Higherford, such as the Malt Kiln planting scheme

Amount requested: £5,760 incl VAT

Brief details of Project: The project involves the repainting of the 32 lampposts on Gisburn Road through Higherford.

Main Outcomes to be Achieved: These lampposts are currently in a very poor state of maintenance and being on a main road entrance to the Borough are not a credit to the area. Their repainting will therefore represent a significant environmental improvement on a principle traffic route. (The lampposts on Gisburn Road in Blacko have been painted already and the contrast is marked)
