Enc. A bid for property flood resilience measures in Earby is attached for consideration.

HIGHWAYS ISSUES

8. Parking Issues - Gisburn Road, Barnoldswick

As requested, following the last meeting, County Council was advised that the Committee was not in favour of the implementation of a new bus stop clearway before the zig zags on Gisburn Road.

County Council understands the reluctance to further restrict kerbside parking for the adjacent commercial interests and as such it will not proceed.

With regards to the request for enforcement in the area, County advises that resources for enforcement are limited and therefore patrols are targeted where they are most needed and effective. The main aim of parking enforcement is to ensure that the highway network flows as efficiently as possible and on this basis enforcement is targeted to peak travel times and in locations where inappropriate parking would cause significant impact on the highway network.

If the Committee would like parking enforcement levels to be increased in the Barnoldswick area, additional enforcement hours can be purchased. This can be done by identifying the locations it would like enforcing including relevant times of day for each area, how many weekly visits and the duration of enforcement. County would then be able to provide a quote for the cost of enforcement. Once all is agreed it would carry out the work and provide feedback to the Committee.
