 - b. Monthly Working Parties to be resumed, normally on 1st Saturday of each month, starting on 7th May from 10am–12 noon when the 2 wildflower plots were tended along with any clear up of plastic rubbish left after the floods. There were further WPs on 4th June but the one on 1st July was cancelled due to bad weather. There was an extra one on 6th July organised with Ribble River Trust and volunteers from Capita in Sheffield as well Paul, Helen and Peter from FOG LNR. A lot of rubbish and balsam was cleared. Pond dipping also took place with 10 species noted including newts along with a family of wrens by the river and a cricket near the car park.
 - c. The Council will provide a skip for heavier flood items. Most metal objects have already been reclaimed by scrap merchants.
 - d. Pendle BC has not received flood grant monies from the Government. Lee will seek other funding so that Pendle Environmental Action Group can restore the damaged lower path by the river. If necessary, FOG LNR can make a contribution from its PEN Maintenance Fund held by Pendle BC
 - e. A new Park Keeper, Marcus, has been appointed and will have contact and links with Greenfield LNR and other LNRs. He has visited our LNR and accessed what needs to be done.

- f. David represented FOG LNR on the Pendle BC Consultation Group developing a Green Infrastructure Strategy for the Local Plan and made some suggestions on the principles to be used in developing Strategy.
- g. Lancashire Wild Life Trust is negotiating to take over the management and maintenance of 2 sites in Pendle, Wycoller Country Park and Quarry Hill, Nelson, which needs designation as a LNR, from the Lancashire County Council Countryside Service, which is facing large cuts.

5.
