ENVIRONMENTAL CRIME UPDATE

PURPOSE OF REPORT

To inform Members of the Environmental Crime action for 1st July to 30th September 2016 in the Nelson area, (including spend on litter/ dog waste bins) along with annual totals for 2016/17, and to ask for feedback on any problems with substations in the committee area.

RECOMMENDATIONS

- (1) To note the report on environmental crime actions.
- (2) To provide feedback on any problems with substations in the committee area.

REASONS FOR RECOMMENDATIONS

- (1) Members are kept informed of any environmental crime action taken.
- (2) To bring problems to the attention of Environmental Services in order to help remedy any substation sites.

ISSUE

Section 215 notices

Section 215 of the Town and Country Planning Act 1990 allows a local authority to serve a notice on the owners and occupiers of land, requiring the site to be tidied up if the condition of any land is in such a state as to adversely affect the amenity of the neighbourhood.

Section 215s pending

The Section 215 process was started on the following 173 properties during the period July to September 2016.

Section 46 Notices

Section 46 of the Environmental Protection Act (EPA) 1990 allows a waste collection authority to specify how waste is presented for collection, i.e. require an occupier to place waste for collection in receptacles of a kind and number specified. This is used to enforce separation of waste for recycling and also for the removal of containers from the public highway following the scheduled collection of waste.

There were 55 Section 46 Notices opened by Environmental Services between 1st July and 30th September 2016.

Section 79 Notices

Section 79 of the Public Health Act 1936 allows a Local Authority to serve notice where the owner of the land / property has accumulated noxious matter i.e. food waste and the notice gives the owner 24 hours to remove the waste. On failure to act upon the Notice the Local Authority can remove the waste and recover the expenses of any actions taken.

There were 6 Section 79's opened by Environmental Services between 1st July and 30th September 2016.

Substation Sites

Following the scrutiny review of Litter and Detritus carried out in 2008, all area committees are encouraged to report if there are any substations within their area that may need tidying up. Members are asked to provide location details of any substations that are causing a problem with litter and/or fly tipping to Environmental Services.
