19. Notices of Motion

(a) M65 Extension

To be moved by Councillor D. M. Whipp and seconded by Councillor D. E. Lord –

Council notes the resolutions of several councils on both sides of the Pennines, including Lancashire County Council, calling for a 'strategic motorway route' linking East Lancashire with West Yorkshire, with such a route often described as 'an extension of the M65'.

Council notes that when such a proposal was previously tabled, it led to a quarter of a century of motorway blight in the Colne area and consequent decay, dereliction and demolition of properties along the route proposed at that time.

Council therefore resolves:

- (1) To oppose proposals for such a strategic motorway route through or around Colne;
- (2) To reaffirm support for local bypasses of Colne and communities along the A56 to relieve congestion within the foreseeable future, and;
- (3) The re-opening of a twin track rail route connecting Colne with Skipton.
