

Please tell us about your involvement with the school council or why you haven't got involved.
Asking for stuff which would make it better.
Because I have I had the opportunity.
Class discussions and elections, filling in surveys.
Discussing about topics that need the most attention.
During my time as a pupil ambassador I was able to put forward the views and ideas of myself and my fellow classmates.
Go for monthly meetings with other year groups.
got involved with the council in year 10.
Help the people
Help to make changes in the school by listening to student voices and what they want.
Help with the school decisions and take part in out of school events
I am a member of the student voice.

I am currently a student council.
I am involved with pupil voice, and make some decisions and ideas to be passed onto the school council.
I am on the school council.
I am the student council rep for my form.
I am the student parliament of my form. (school council)
I asked the school council to say something in the next meeting.
I feel that I am making a difference for the better. I am a school council representatives and feel honoured to be one.
I gave ideas about the school food (Halal meals)
I gave ideas for healthy meals because I found the current menu a little boring, mainly pasta and chips.
I gave ideas for our school.
I got chosen in year 7.
I got elected to be student council/school parliament. we raised money by having a non uniform day and went to colleges to learn about different skills
I got involved as I have a big voice and express my opinions well.
I got involved in year 7 because I was new to Fisher more and wanted to try it out.
I got involved in year 7.
I have been a member of year council for the past four years and in student council last year.
I have been a school council leader before.
I have been a student council, this involves going to meetings and improving things, but it doesn't really help.
I have been in it every year.
I have been involved in school council for 2 years as I feel it is a good opportunity to help the school.
I have been involved with many school councils (at Primet High when I was a student there, and then the Nelson and Colne College student voice). I recently left the Pendle District Youth Council after being an elected youth councillor for 5 years.
I have given some ideas to school council in my form.
I have just been elected by my form and have attended one meeting.
I have made pledges to be on the School Council.
I have suggested ideas through our form representatives.
I helped out the head boy by making a decision towards the sports section.
I just been selected so I haven't done anything.
I just joined this school, I don't know that much about school council.
I rather simply applied for the media branch of my school council but as a whole, the school council dissolved quite quickly due to inactive members
I recommended my ideas and tried to help them make the school better.

I used to be a form representative for my form, on the council for a year.
I used to be a representative on the school council.
I used to be in it.
I used to be part of the school council.
I volunteered for a role in the council.
I was a form ambaddador
I was in it
I was in it last year.
I was in school council in year 9.
I was in the council which discussed ideas about changing things in the school like what was going to happen with the sports hall.
I was involved but I did not want to do it so I dropped out
I was involved with another youth group at school, however I fully supported out school council when required
I was on school council in year 7.
I was on the school council for two consecutive years and attended monthly meetings, to consider concerns raised by other students in the school.
I was part of it once.
I was part of school council in year 7.
I was part of student council.
I was school council in year 7 and I went to almost every meeting.
I was selected as a form council, we contributed ideas to make the school better.
I was voted by my form in year 7.
I'm in the school council/rep for my form
I'm part of student parliament, me form elected me. We did some work on British values and now are doing a project called 'cooling conpliet'
im part of the student parliament (school council) and I represent my form
In my involvement we met every 2 weeks and discussed changes and issues in school.
In year 7 I was in pupil voice. We brought up ways to improve the school and if possible we changed them.
in year 9 I was the representative for my form
It was enjoyable as we got to go on school trips and organised new things for the school.
one of our teachers created this triangle about our groups in school and was chosen to be part of on eof the leading groups
organised a none uniform day, week of education on the British values, visitied a food bank and had training on 'cooling conflict'
Our's is student parliament and I have been elected as the form candidate
Put in suggestions on what could make the school better.
Said what the school could do to improve.
Spoke about key changes that the school wanted to make e.g., uniform changes , what we wanted the school name to change to etc.
The student council.
voting for form representative on council, very little happening
We disgust what we would like to change about the school and how we would like to improve the different aspects of the school.
we gathered food to donate to a food bank and we went to the houses of parliament in london
yes, I was in school council a few years ago and I never made any changes except for voluntary giving ideas for trips, etc.
Because I am a shy person and don't like conversing with other people I don't know.
Because I am new

Because I am not interested in been a school council.
Because I am not interested in taking part.
Because I am not personally interested in the school council.
Because I did it in primary school and I didn't really enjoy it that much, but I might volunteer for something I do like in it.
Because I did not want to take on the responsibility.
Because I didn't want to be a council and if I did want to I wouldn't be a good school council.
Because I didn't want to be in the school council.
Because I didn't want to get involved
Because I didn't want to.
Because I didn't want to.
Because I didn't want to.
Because I dint want to get invited.
Because I do the Burnley Football Club at school so I can't miss it so I don't do school council.
Because I don't care. Councils are government and I don't like the government
Because I don't find it interesting.
Because I don't find it interesting.
Because I don't find it interesting.
Because I don't like doing stuff like school council.
Because I don't like doing these things I'd rather do my own thing.
Because I don't like public speaking and don't like to get involved in things like that.
Because I don't like speaking in front of an audience.
Because I don't like speaking out loud.
because I don't like things like that and I don't know what it does.
because I don't want to and ill look like an idiot.
Because I don't want to be involved in school council.
Because I don't want to be involved.
because I don't want to.
Because I don't want to.
Because I have better things to do.
Because I have never had any thoughts that involved.
Because I have never second voted.
Because I have no ideas, to make the school better.
Because I haven't
Because I haven't got the time.
because I haven't taken an interest in it
because I just wouldn't like to
because I think there are better suited people who would have more of an impact than I would
Because I was never interested in being in the student council.
Because I wasn't interested.
Because I'm more interested in sports teams.
Because im new in this country and school
Because I'm not a part of the school council
because im not interested in it.
Because I'm not that bothered about it and know that the people on the councils are responsible.
Because I'm not that confident.
because it doesn't interest me and I just don't want to do it.
because there is people who do like it and I don't.
Because voice is useless here
Boring

boring im not interested
Can't be bothered.
Cant be bothered
Cant be bothered and miss out in lesson and education.
Cant be bothered, I play Pokémon go everyday.
cause I didn't want to.
Did not want to.
Didn't want to
Didn't want to and it was more effort.
Didn't want to be in it.
Do not want to.
Does not sound very exciting.
Don't care about school
Don't like meetings.
Don't like speaking in front of people.
Don't like talking in front of a lot of people.
don't like the idea of getting involved
Don't want to get involved when its not fun and boring.
Don't want to.
Don't want to.
Don't want to.
Don't want to.
Have no time to do it.
I am not interested and its boring
I am not interested in the school council.
I am not involved as I don't feel I need to improve anything at my school.
I am not involved in it because I didn't like getting involved in stuff like that.
I believe my input is never needed.
I did not get involved as I was not interested.
I did not want to and did not know where to apply
I did not want to get involved because I was not interested
I didn't get involved because it wasn't for me.
I didn't want to
I didn't want to be a student council.
I didn't want to I didn't feel confident enough.
I didn't want to it was more effort and more.
I didn't want to.
I didn't want to.
I didn't want to.
I didn't want to.
I don't enjoy stuff like that
I don't enjoy taking part in activities such as
I don't feel confident enough speaking in front/with other students.
I don't feel confident.
I don't get involved because I don't think I'm confident enough.
I don't get involved with student council and other shenanigans.
I don't know. I just never had the time to really worry about stuff like that
I don't like
I don't like all the responsibility
I don't like being charge

I don't like it.
I don't like speaking a lot in front of other people, also it's not something I'm interested in.
I don't really think school council is something that I would like
I don't really want to get involved
I don't really want to get involved
I don't talk a lot.
I don't want to be a councillor.
I don't want to be a school council.
I don't want to be in school council.
I don't want to be involved.
I don't want to get involved
I don't want to get involved in school council because I don't feel like it.
I don't want to get involved.
I don't want to go
I don't want to have to speak in front of people.
I don't want to.
I don't want to.
I don't want to.
I don't want to.
I don't want to.
I feel like there are better form representatives.
I get nervous talking in front of people.
I have better things to do.
I have got my GCSE's that I have to work hard on and wouldn't have time to take part and get involved.
I have never taken interest
I have not been picked because I don't want to be in the school council.
I have not got involved because it has never appealed to me,
I have not got involved with the school council as I have not had any issues.
I have not joined but in primary school I did.
I have other activities to do
I haven't as some of the members don't even listen.
I haven't been interested in doing it.
I haven't been interested in it.
I haven't been involved and didn't want to be involved as I wanted to stay in lessons.
I haven't been involved as I am not part of the school council
I haven't ever wanted to get involved with it.
I haven't got involved as I didn't think it was important.
I haven't got involved as it didn't interest me and I couldn't be bothered.
I haven't got involved because I am not interested
I haven't got involved because I didn't want to be in school council.
I haven't got involved because I don't know how it works and am shy to speak.
I haven't got involved because I don't like speaking in front of people.
I haven't got involved because I don't want to
I haven't got involved because I don't want to get involved.
I haven't got involved because I find it boring and worthless as well as a waste of time.
I haven't got involved because I moved last year to West Craven from Italy.
I haven't got involved because I think it's hard work
I haven't got involved because I think it's too much pressure over the hard work in schools
I haven't got involved because I'm not confident enough.
I haven't got involved because I'm not into stuff like that and not good at talking to others.

I haven't got involved because it is not my thing
I haven't got involved because the meetings are at lunchtime and I do sports activities at lunch time and because I didn't feel the school needed me around.
I haven't got involved because theres nothing to get involved in
I haven't got involved in the school council because.
I haven't got involvement with school council because lately I have been busy with homework etc.
I haven't gotten involved because im usually busy
I haven't gotten involved with them because I don't want to
I haven't had the time and lack of interest.
I haven't thought to do so.
I haven't wanted to do anything like this before.
I never filled an application form in for it.
I never wanted to.
I think it would be boring and would make me look stupid.
I was not interested
I wasn't interested
I wasn't interested Doesn't seem important
I wasn't interested at the time
I wasn't interested.
I would not like to participate in the school council.
I wouldn't have enough knowledge.
I'm not involved.
I'm not really interested and the school council isn't something I want to do.
I'm not a confident or loud speaker.
I'm not interested.
I'm not that keen on all the responsibility.
I'm not very good at speaking in front of lots of people or getting my point across.
I'm too lazy
in not intrested.
it didn't need help
it doesn't appeal to me.
It doesn't appeal to me.
it is boring and not fun
it is not fun and fair
It's boring and they never share ideas with other students.
It's boring, nothing changes because no one listens.
It's not my type of "involvement", I'm more of a introvert.
Its not quite appealing to me.
I've never been involved with the school council
Ive never needed them
I've never wanted to and have felt anxiety at the thought of doing do - anxiety issues held me back.
ive taken part in my primary school so haven't been interested
Just didn't want to.
Just don't have any ideas and don't want to be one of the people responsible for the school.
Just hasn't come around.
Long thing.
Never interested in being part of the council I am more created.
Never really wanted to.
Never wanted to.
no

No time
No time
No time
No, I have not been involved in the school council
No. we were told about it
not a lot to do
not interested
not interested
not interested
Not interested
Not interested
Not interested
Not like me.
Not really interested in it.
Not really interested or heard about it.
Not really sure to be honest.
Not really sure, however we know what goes on.
Other people got chosen for it, and I never really stood
Other people wanted to do it not me.
School council does not interest me.
The meetings are at lunch as I am busy with clubs.
The reason why I have not got involved is because I am not confident enough to speak to a lot of people.
the school council is not for me, im not really interested in joining the school council
the school council isn't for me
there has not been anything to get involved in
There was no need to.
They never really listen anyway.
waste of my time or I wont do anything and I can be doing other more beneficial thing
Waste of time.
Because I am not one of the loud or popular children, therefore I never get picked
Because I don't feel like I am the right candidate for the vote.
because I don't know there can only be someone who can be one
because I have never been asked
Because I wasn't voted for by my fellow students
Because in my form so many people wanted the places it was put down to chance...and I'm not lucky.
because it is either random selection or I don't get picked.
Because I've never been voted.
Because I've never been voted.
Because my ideas aren't different to anyone else's.
because no one asked or offered
Because other people deserve to take part in the school council.
because somebody else gets to be involved not fair
Because the same two people have done it every time and haven't been a re-election like other classes.
because there are only some people that can be
because they are picky.
Because they don't change much.
Every time I tried, I was unlucky as my ideas weren't as good as everyone else's.
I always to be in it but never get picked.
I always wanted to join but I am not popular so there didn't get chosen and I would like to in the future as I have good ideas

I am not involved in it because I didn't get chose to be in it.
I did but was not picked
I did get involved but never got chosen.
I didn't get involved as I didn't get picked.
I didn't get picked and I didn't want to.
I feel like it is a popularity contest.
I have never been chosen to be a representative but I have put my name forward a multiple of times.
I have never been chosen.
I have not been picked.
I haven't as they only chose certain people.
I haven't got chosen and it is a waste of time.
I haven't got chosen because I am quiet.
I haven't got involved because I am a part of positive voices so I never got the chance to
I haven't got involved because no one voted for me.
I haven't got involved because of the people in the school.
I never got in.
I ran for it but like to be one in the future.
I tried but the place was taken by someone else
I try to get involved but I never get picked.
I wanted to but didn't get enough votes.
I wanted to but didn't get voted in.
I've never got chosen.
Just haven't, someone else was chosen first.
Never been chosen.
No one likes me so no one votes for me.
only one person from the class is chosen and people voted for him so they chose him
People chose there friends to be if or most popular so: wont be chose.
Signed up didn't get through
Some stars shine brighter than others.
Students that are well behaved get picked at random
The same people get chosen.
There are two people from each form in each year group that are elected to attend meetings where we discuss school related issues.
There is no spaces left.
They choose certain people and any school council take to each other and don't share with other students.
They only choose people who they think are the best
this is because you can volunteer to be school council and are chosen for each year a boy and a girl
Tried in year 7, didn't get nominated for rep, gave up after that.
because I did not know much about it at the time and it also looks like a big and important spot for someone
because I didn't know hot to participate
Because I didn't know there was one.
because I don't really know what it is
Because I haven't ben told too much about and only often hear about it
Because it doesn't say that you can join or get involved.
I didn't get involved with the school council because I didn't know there was one and once I did know, the team was already picked
I didn't know how to join
I didn't know there was a council.

I didn't know we had a school council
I do not know anything about it, or even students who are part of it
I do not know what it is
I don't know how to and what goes on also was never chosen
I don't know it involves.
I don't really know much about it
I don't remember any opportunity to get involved or reason to do so
I hadn't heard about it when I was younger and I didn't know how to apply
I hadn't heard about it when it was first set for my year when I was younger, People were chosen and didn't know how to apply
I have never got involved because no one has asked me to get involved and there was no opportunity
I have not been involved as I have been unaware of it
I have not been involved because I haven't had the opportunity to however I would like to
I have not got involved because I did not know about it
I haven't got involved because I didn't know about it.
I haven't got involved because I haven't been asked or told about it
I haven't gotten involved because they haven't done an assembly
I Haven't had the chance.
I haven't heard about it
I never really knew of them
im not involved with the school council because iv not got asked
It hasn't come around.
Ive hardly heard about it
I've never been told about it
ive never gotten involved as they did not inform me about it until they had picked some representatives plus
I am part of positive voices
never got a chance to get involved
Never had the chance to.
never heard about school council never been mentioned
No one asked me
No one asked me too.
no one told me about it
No, we were told about it with minimal information and also people were chosen to be in the school council
nobody has asked me to, or told me anything about it.
The school doesn't really do anything.
Don't know
Don't know
Don't know.
Harambe died too soon.
I don't know
I don't know.
I don't know.
I don't know.
