The Neighbourhood Services Manager submitted a report regarding the Committees Capital Programme 2017/18 and 2018/19.

An update was submitted to the meeting regarding members ward initiatives and spend to date.

The Committee were reminded that for 2018/19 the revenue contribution had been deleted which meant all spending must now be of a capital nature only. The loss of this funding had been offset by additional capital funding which meant the new contribution remained the same at £51,500. It was noted, however, that some projects which had been funded in previous years would no longer be eligible for support as capital resources could not be used to fund revenue expenditure.

A bid for a contribution towards free swimming places had been submitted. It was noted, however, that this was revenue and not capital.

RESOLVED

- (1) That the schemes listed in Appendix 1 that had funding agreed be noted.
- (2) That the capital programme funding change for 2018/19 detailed in paragraph be noted.
- (3) That £300 be allocated from the 2017/18 capital programme for Pendle Tigers Cricket Club.
