QUOTATION

ATV Truck Tank – TT600 Special Including Level Gauge

Dear Katie & Council members

Further to my telephone conversation with Cllr Morris Horsfield, please see below the details and prices for the item/s we discussed. **All prices are excluding VAT.**

I am not aware of any supply or manufacturing issues, and would therefore advise the usual four week lead time from the date of any order. Given that the trailer is fully road legal and is also ADR compliant the delivery or collection date can be as and when you require.

1 x ATV Truck Tank – TT600 Special	= £1555.23 each
1 x ATV Level Gauge (Factory Fitted) for the above	= £44.77 each
1 x Delivery direct to your address – if required	= £00.00
Grand Total	= £1600.00 + VAT

This quotation is valid for 60 days

Kind regards

Chris Tennant
