Update on Electoral Review – Council Size Submission

With reference to paragraph 18 in the report there are 66,626 electors on the new register. This translates into an average councillor:elector ratio of 1:1360. If there were 33 councillors the ratio would be 1:2019.

Work has stated on the 5 year population forecasts and hence the estimated electorate in 2024 and will be provided to political groups as soon as possible.
