**PROGRESS REPORT ON ACTION ARISING FROM
NELSON COMMITTEE ON 3RD DECEMBER, 2018**

1.	<p>Public Question Time</p> <p>A resident from the Cloverhill ward complained about the waste collections in the Sackville Street/ Pilgrim Street area of Nelson. He explained that residents had been asked to take their bins to a collection point as the refuse wagons no longer go down the narrow streets. As a result of this bins were being left on the streets or stolen. The resident explained that his household waste bin was stolen and when he rung the council for a replacement he was informed it would take up to 4 weeks for a new one to be delivered, which he felt was unacceptable. He agreed that parking was an issue in the area which was hindering the waste collections and asked if a meeting could take place with councillors and residents to address the parking issues so that the refuse wagons could return to collecting waste from outside the houses instead of residents taking their bins to collections points.</p>	<p>Referred to the Environmental Services Manager</p>
