## ENVIRONMENTAL CRIME UPDATE

### PURPOSE OF REPORT

To inform Members of the Environmental Crime action for 1st October 2018 to 31<sup>st</sup> December 2018 in the Nelson area, (including spend on litter/ dog waste bins) along with annual totals for 2018/19, and to ask for feedback on any problems with substations in the committee area.

### RECOMMENDATIONS

- (1) To note the report on environmental crime actions.
- (2) To provide feedback on any problems with substations in the committee area.

### REASONS FOR RECOMMENDATIONS

- (1) Members are kept informed of any environmental crime action taken.
- (2) To bring problems to the attention of Environmental Services in order to help remedy any substation sites.

### ISSUE

#### Section 215 notices

Section 215 of the Town and Country Planning Act 1990 allows a local authority to serve a notice on the owners and occupiers of land, requiring the site to be tidied up if the condition of any land is in such a state as to adversely affect the amenity of the neighbourhood.

### **Section 215s pending**

The Section 215 process was started on 114 properties during the period October to December 2018.

### **Section 215s completed**

130 properties were dealt with under Section 215, but were cleared and the process completed during October to December 2018.

### **Section 215 completed by Legal**

There have been no Section 215 Notices served by Legal from 1<sup>st</sup> October to 31<sup>st</sup> December.

There have been no compliances during this quarter.

### **Section 46 Notices**

Section 46 of the Environmental Protection Act (EPA) 1990 allows a waste collection authority to specify how waste is presented for collection, i.e. require an occupier to place waste for collection in receptacles of a kind and number specified. This is used to enforce separation of waste for recycling and also for the removal of containers from the public highway following the scheduled collection of waste.

There were 27 Section 46 Notices opened by Environmental Services between 1<sup>st</sup> October and 31<sup>st</sup> December 2018.

### **Section 79 Notices**

Section 79 of the Public Health Act 1936 allows a Local Authority to serve notice where the owner of the land / property has accumulated noxious matter i.e. food waste and the notice gives the owner 24 hours to remove the waste. On failure to act upon the Notice the Local Authority can remove the waste and recover the expenses of any actions taken.

There was one Section 79 notice opened by Environmental Services between 1<sup>st</sup> October and 31<sup>st</sup> December 2018.

## **Community Protection Notice**

CPN's can be used by the Council to target those responsible for specific ongoing problems or nuisance which negatively affects the quality of life in a community. Examples of behaviour covered by CPN's include owners allowing dogs to persistently stray and or cause a nuisance, owners of dogs persistently allowing dogs to foul without then removing the waste and vehicle repair garages parking vehicles for repair on residential streets.

The following actions were undertaken via a Community Protection process by Neighbourhood Services between October and December 2018.

<b>Quarter 3 Actions</b>	<b>Nelson</b>
