**COMMUNITY INVESTMENT FUND:
BID PROCESS AND NEW PRO FORMA**

PURPOSE OF REPORT

To update members further to the report to this Committee in February on the detail of the process for Community Investment Fund bids and to provide the revised Pro Forma.

RECOMMENDATIONS

- (1) That members note the Community Investment Fund (CIF) guidelines and process and use the revised Pro Forma for new bids.

REASON FOR RECOMMENDATION

To enable the Community Investment Fund to be allocated efficiently, effectively and timely.

Community Investment Fund

1. In February a report went to each Area Committee explaining that £100,000 would be divided between all members, ie £2,040 each for 49 members.
2. This is a one-off fund which can be spent on either revenue or capital expenditure.
3. It can be allocated either individually or pooled together but pooling resources to benefit the wider community is being encouraged.
4. The money can be carried over to the next financial year but members are being encouraged to allocate their share of the funds as soon as possible.
5. Members are encouraged to obtain match funding if they can to maximise the impact/outcomes of the funding. However, no match funding is necessary.
6. Members are encouraged to allocate the full amount or in large rather than small chunks.

7. The revised Pro Forma, including the Community Investment Fund Guidelines, is attached.

Process

8. Bids submitted on the old Pro Forma need not be resubmitted.

9. For new bids, members should complete the new Pro Forma.

10. Completed forms are to be submitted to Tricia Wilson to verify that bids are in accordance with the Community Investment Fund Guidelines.

11. Tricia Wilson will acknowledge receipt by email direct to the councillor(s) who submitted the form and will request any additional information needed at this stage.

12. Verified bids will then be submitted to the relevant Area Committee for information.

13. Once noted by the Area Committee...

- and the funding is for a community group:
 - the money will be paid directly to the group as a grant;
 - Tricia will request bank details on the acknowledgement email;
 - all groups must be constituted or have access to a constituted group's bank account;
 - payments will be made by BACS; and
 - the community group will be asked to confirm when they have spent the grant and that it has been spent on what was noted by the Area Committee.

- or the money is towards a larger scheme:
 - the Council will procure the works to comply with the Financial Regulations and Contract Procedure Rules;
 - members will be referred to the Engineering Team if appropriate for the scheme proposal; and
 - the Engineering Team will contact you to establish when all match funding required is in place and to agree when to tender the works.

14. A record of noted bids and unallocated funding will be shown in a table on the agenda every month until the Community Investment Fund is fully committed. An example table is shown in Appendix 1.

IMPLICATIONS

Policy: The Community Investment Fund is a one-off fund that can be carried over to 2019/20. However, members are encouraged to allocate their grants as soon as possible.

Financial: Funding is for capital or revenue expenditure, but must benefit the wider community. Members are encouraged to pool funding for greater impact and better use of resources.
