Main Outcomes to be Achieved: To improve the appearance of the town centre by assisting commercial organisations to improve premises and encourage the use of vacant properties. The grants scheme is a tool used to encourage private investment in town centre buildings; the outcome of this investment is an aesthetic improvement to the town centre and in turn increases retail and public confidence in the area. The grants can encourage the use of vacant buildings as they can reduce the overall cost of changing the exterior of the building to suit the needs of the incoming business
