- (2) To provide feedback on any problems with substations in the committee area.

REASONS FOR RECOMMENDATIONS

- (1) Members are kept informed of any environmental crime action taken.
- (2) To bring problems to the attention of Environmental Services in order to help remedy any substation sites.

ISSUE

Section 215 notices

Section 215 of the Town and Country Planning Act 1990 allows a local authority to serve a notice on the owners and occupiers of land, requiring the site to be tidied up if the condition of any land is in such a state as to adversely affect the amenity of the neighbourhood.

Section 215s pending

The Section 215 process was started on 22 properties during the period April to June 2019.

Section 215s completed

21 properties were dealt with under Section 215, but were cleared and the process completed during April to June 2019.

Section 215 completed by Legal

There have been no compliances during this quarter.

Section 46 Notices

Section 46 of the Environmental Protection Act (EPA) 1990 allows a waste collection authority to specify how waste is presented for collection, i.e. require an occupier to place waste for collection in receptacles of a kind and number specified. This is used to enforce separation of waste for recycling and also for the removal of containers from the public highway following the scheduled collection of waste.

There were no Section 46 Notices opened by Environmental Services between 1st April and 30th June 2019.

Section 79 Notices

Section 79 of the Public Health Act 1936 allows a Local Authority to serve notice where the owner of the land / property has accumulated noxious matter i.e. food waste and the notice gives the owner 24 hours to remove the waste. On failure to act upon the Notice the Local Authority can remove the waste and recover the expenses of any actions taken.

There was one Section 79 notice opened by Environmental Services between 1st April and 30th June 2019.

Community Protection Notice

CPN's can be used by the Council to target those responsible for specific ongoing problems or nuisance which negatively affects the quality of life in a community. Examples of behaviour covered by CPN's include owners allowing dogs to persistently stray and or cause a nuisance, owners of dogs persistently allowing dogs to foul without then removing the waste and vehicle repair garages parking vehicles for repair on residential streets.

The table below identifies the total number of cases within the Borough, including active cases, received by Neighbourhood Services, since the CPN process began in February 2015:

Fixed Penalty Notices

In December 2018 The Council voted to pilot the use of District Enforcement for a 12 month trial period from Monday 18th February 2019. During the trial District Enforcement Officers will patrol town centres and any areas open to the public which the Council identifies as requiring attention due to on-going problems with littering, littering from vehicles or dog fouling.

In the period between April and June 2019, District Enforcement Officers issued 39 Fixed Penalty Notices.

Woodend Road	Replace inner of F/S litter bin	LITTER	58.52
Woodend Road	Replace F/S litter bin	LITTER	192.34

Substation Sites

Following the scrutiny review of Litter and Detritus carried out in 2008, all area committees are encouraged to report if there are any substations within their area that may need tidying up. Members are asked to provide location details of any substations that are causing a problem with litter and/or fly tipping to Environmental Services.
