Dear Mr Greenwood

Complaints – Storage of Scrap Metal

I am writing to you in relation to my previous correspondence dated 17th April 2019, a copy of which I have attached, and our telephone conversation held at 13.55 hours on the 29th April 2019.

During our conversation I gave you another opportunity to attend a meeting, which you declined, to discuss the complaints the Council have received about the storing of scrap metal and propane gas cylinders on the rear of your vehicle, ND10 NEU, whilst it is parked up in the Linden Road area of Earby.

In order to give you a final opportunity to explain the circumstances surrounding the complaints that have been received, I would like you to attend a meeting at Nelson Town Hall, Market Street, Nelson, on **Wednesday the 8th of May 2019 at 2pm.**

Please note, that should you not attend this meeting, under Section 4(3) of the Scrap Metal Dealers Act 2013, the Authority (Pendle Council), may revoke your licence if it is no longer satisfied that you are a suitable person to carry on a business as a scrap metal dealer.

You also informed me that you have changed your address. In order to amend our records would you please confirm to me, in writing, your new address details.

Yours Sincerely

Mick Armfield
Licensing Enforcement Officer
