

Colne Committee Update 6th June 2019

18/0768/FUL– Black Carr Mill, Skipton Road, Trawden.

Amended details have been received today regarding layout and landscaping. Further details are expected regarding an evacuation plan but at the time of writing this update have not been received.

There has not been time to evaluate the revised information. It is therefore recommended that the application be delegated to the Planning, Economic Development and Regulatory Services Manager to refuse the application if the details submitted are not adequate to address the outstanding concerns or approve it if the details address the outstanding matters.

Recommendation – delegate to the Planning, Economic Development and Regulatory Services Manager

19/0111/FUL – Causeway Top Farm, Moss Houses Road, Foulridge.

Amended plans were received on 3rd June 2019, to improve the accuracy of the proposed plans and slightly alter some of the openings.

Recommendation to approve still stands.
