The 'white line' road markings cannot be extended at this location. The white line 'H-Bar' marking is to highlight the presence of a drop crossing and therefore cannot be provided where there is a full kerb face.

	RESOLVED	
	That LCC be asked to carry out the agreed works as a matter of urgency.	Awaiting response from LCC.

6.	The following issue was raised by a member of the Committee in public question time, therefore not recorded in the minutes:	
	Cllr Hanif reported a problem with rats in the disused toilet block on Colne Road, Brierfield. He stated that the toilets had sunk and believed that rats had made a nest there.	
	The problem could not be investigated fully as the	
	premises were locked. He requested that the owner be asked to deal with the problem.	The owner has been in touch after receiving a letter from the Council. Update to be provided at the meeting.
