

Reedley Park
Not To Scale

Reedley Park – Former Lucas Sports Ground

1. Existing barrier to prevent unauthorised vehicular access.
2. Picnic area to be enclosed. Picnic bench style to be determined.
3. Fence to delineate between the new woodland planting and the Himalayan Birch beds.
Birch beds to be mulched with bark.
4. Play area to be enclosed by low level walls.
5. Figure of 8 paths to be constructed.
6. Woodland planting scheme to be made up of native and non-native species. The aim is to give all year round colour and a site with a different interest.
7. Trim trail equipment to be set in grassed area around periphery of football pitch.
8. Existing path to be upgraded.
9. New woodland planting to have woodland wildflower mix seeding below trees to improve and encourage biodiversity.
