MISCELLANEOUS ITEMS**4. Re-opening of Pendle's Town Centres**

Members will be aware that the Government intends to lift the Coronavirus restrictions on most non-essential retail premises with effect from 15th June. This is subject to there being no spike in infection rates before then and to businesses being able to demonstrate that they meet the guidelines to protect shoppers and staff. The Government has published detailed guidance on the steps they should take.

It has also allocated £50m to local authorities to support the reopening of high streets to put in place additional measures to establish a safe trading environment. Pendle's allocation is £81,195. This is ERDF grant which will need to be claimed.

The Guidance accompanying the allocation envisages four strands of activity:

- Developing an action plan and in doing so engaging businesses, parish and town councils etc.
- Communications and public information
- Awareness raising with businesses e.g. on social distancing and how to make temporary adjustments to their premises if necessary
- Making town centre public spaces as safe as possible

It expressly excludes grants to businesses, capital expenditure and replacing already committed expenditure.

It is proposed that the £20,000 of the £81,195 be top sliced to cover work of a corporate nature (e.g. communications) and that the remainder be distributed to area committees as follows:

<u>Covid-19 Town Centre Funding</u>						
Funding Available			81,195			
Less Corporate Funding			(20,000)			
Total Funding for Area Committees			61,195			
Area Committee	Population	%	Allocation			
West Craven	16,904	18.49%	11,317			
Barrowford and Western Parishes	9,675	10.58%	6,477			
Brierfield and Reedley	10,919	11.95%	7,310			
Nelson	30,885	33.79%	20,677			
Colne and District	23,022	25.19%	15,413			
Total	91,405	100.00%	61,195			

Of the four strands of activity referred to above, work is already under way on steps for making each town centre public spaces (including car parks) as safe as possible e.g. signage, one way and floor tape.

In view of the tight timescale early communications with both businesses and members of the public that our various town centres are soon to re-open are required.

Finally it is **RECOMMENDED** that area committees each take on the task of developing tailored action plans for their town centres and that they do this through the agendas for their scheduled meetings and by making appropriate co-options for this item of business.
