## AGREEING THE FINAL PROJECT LONG LIST

### PURPOSE OF REPORT

To consider the project long list in light of the evidence base reports, the key areas of need/opportunity and the Towns Fund intervention themes. To discuss any potential gaps in projects to help address the areas of need. To agree the final long list and for project concept forms to be completed for each of these projects.

### RECOMMENDATIONS

That the Town Deal Board:

1. Consider the attached paper by Hatch.
2. Agree the final long list of projects and that project concept forms be completed for each.

### REASONS FOR RECOMMENDATION

1. To agree the final long list of projects and for these to be developed in more detail so that the projects can be appraised and prioritised.

### ISSUE

#### Background

1. The long list of potential projects has been regularly shared with the Board and updated.
2. We have reached the point where the long list of projects, particularly those requiring Towns Funding, needs to be agreed and finalised. The next step will be for project concept forms to be completed for each.
3. The Board are asked to review the attached report by Hatch and consider the recommended the next steps.
