

Local Government audit and financial reporting – the Redmond Review

Grant Thornton
September 2020

The Redmond Review – scope and purpose

Scope

- Launched September 2019. Views by December 2019
- Led by Sir Tony Redmond, former President of CIPFA

Purpose – to assess

- Effectiveness of audit in local authorities
- Transparency of financial reporting

Publication

- 8 September 2020

The system is not working

The current local audit arrangements fail to deliver, in full, policy objectives underpinning the 2014 Act.

As a result, the overriding concern must be a lack of coherence and public accountability within the existing system.

The local audit market is very fragile. The current fee structure does not enable auditors to fulfil the role in an entirely satisfactory way.

Without prompt action to implement the recommendations, there is a significant risk that the firms currently holding local audit contracts will withdraw from the market.

Sir Tony's Recommendations

A call for action

- **A new regulator** - the Office of Local Audit and Regulation to replace the FRC and PSAA
- **Scope to increase fees** - The current fee structure for local audit be revised (i.e. increased) to ensure that adequate resources are deployed to meet the full extent of local audit requirements
- **Move back to a September deadline** - The deadline for publishing audited local authority accounts be revisited with a view to extending it to 30 September from 31 July each year

Sir Tony's Recommendations

A call for action

- **Accounts simplification** - CIPFA/LASAAC be required to review the statutory accounts to determine whether there is scope to simplify the presentation of local authority accounts
- recognition of the **role of authorities in improving governance and reporting** and
- development of **audited and reconciled accounts summaries.**

Grant Thornton's View

Sir Tony Redmond's report provides a clear road map to secure appropriate scrutiny and a sustainable future for local government audit. Reinforcing transparency and accountability is critical in protecting the interests of citizens who both fund and rely on the services delivered by local authorities. Introducing an Office of Local Audit and Regulation will help simplify and re-energise this vital public function at a time when local finances and governance are in need of effective oversight. We look forward to supporting Sir Tony and Government as this report progresses from recommendation to reality.
