Under the Openness of Local Government Bodies Regulations 2014, people attending open meetings can film, audio record, take photographs or use social media. Oral commentary is not allowed during meetings as it would be disruptive. If you are attending a meeting, you need to be aware that you may be filmed by others attending. This is not within our control.

SUPPLEMENTAL AGENDA

At the Full Council meeting on 10th December, 2020 it was resolved that the following two items be considered by this Committee:

11. The Climate Ecology Bill

Pendle Council notes the work that is taking place, following its declaration of a local climate emergency, through the Climate Emergency Working Group and elsewhere and thanks the staff who are involved in this work in these difficult times.

Council notes that a cross-party Private Members Bill – the Climate and Ecology Bill – will shortly have its Second Reading in the House of Commons and that it has wide support throughout the country.

Council further supports the principles and objectives of this Bill and calls on the House of Commons to give it a Second Reading and on the Government to provide sufficient parliamentary time for it to be thoroughly scrutinised and to progress through both Houses of Parliament.

12. Fireworks

Pendle Council notes that nuisances caused by the inappropriate use of fireworks continue to result in complaints from residents.

It notes the report to the Policy and Resources Committee of 12th February, 2019 and the resolution of the Council of 17th December, 2020 and considers that the matter should be looked at again in the light of statements by the Government that further controls over the use of fireworks were a matter for local decision-making.
