Following the question raised at the last meeting, we can confirm that the Mill Race improvement works have been completed to schedule. However, tests are ongoing on an alternative solution to the installation of a new screen (cage). Whilst tests are ongoing the old screen will remain in situ. Should the current solution work effectively, there will be no need for a new screen. This will be monitored over the next few weeks. We will not deallocate the anticipated underspend of £280 until we are certain that a new screen is not required.
