

(FORM A: INTERNAL BIDS)

**BIDS FOR FUNDING FROM AREA COMMITTEES
CAPITAL (AND REVENUE) PRO FORMA**

Short Project Title: Victory Park. Westfield Road/ Public footpath 5 access improvements

Bid submitted by: Tom Partridge, Countryside Access Officer

Amount requested: £ 600.00 (total estimated project costs of £1200)

Brief details of Project: The access from the end of Westfield Road to Victory Park is up a short ramp to the park. This is a link path of public footpaths 5 and 6. We received a report from a local person that the surface condition is poor with loose stone on the surface. Due to the slope of the ramp this makes access difficult for people with limited mobility, parents with push chairs and so forth. The project proposal is to strip off the poor section of surface and relay a bit-mac surface with concrete edgings, over an area of 12.5m x 1.9m, with all surfaces flush to the adjoining paths. The footpath runs between the end of the adopted road and public footpath 5.

Main Outcomes to be Achieved: Improved pedestrian access from Westfield Road to Victory Park.

When will Project be implemented? By March 2022

Who will undertake the Project works? Contractors working to Pendle BC engineers' specifications.....

Is the bid for capital or revenue funding? Capital

Is there match funding for the Project from elsewhere? Yes.....

If so, please give details: Pendle Borough Council public rights of way budget.....

Are there long-term revenue consequences and how will these be funded?

No.
