Amended plans have been submitted substituting the timber posts for metal rails. This would be more acceptable and accords with the recommendations made by the former Conservation Officer.

Condition 2 has therefore been amended as follows:

2. The development hereby permitted shall be carried out in accordance with the following approved plans:

10323 - L07A and 10323 - L16D.

**Reason:** For the avoidance of doubt and in the interests of proper planning.
