**PROGRESS REPORT ON ACTION ARISING FROM COLNE AND DISTRICT COMMITTEE ON 6<sup>TH</sup> JANUARY, 2022**

<b>1.</b>	<p><b><u>Community Safety Issues and Police Matters</u></b></p> <p>...It was noted that any incidents that took place in the town centre were recorded under the policing areas of Waterside or Horsfield, depending on where in the town centre the incident occurred. There was concern amongst Members that this misrepresented the areas/electoral wards as a whole and could deter people from setting up home in these areas. They therefore asked for town centre incidents to be recorded separately. Members also felt that cases of domestic violence should be reported as a separate category, rather than being included under assaults.</p> <p>PCSO Dolphin agreed to see if these adjustments would be possible by way of the current computer system...</p> <p>... Other issues raised related to inconsiderate/illegal parking of vehicles including a horsebox causing an obstruction on Shaw Street; a caravan parked on Green Road after being moved-on from a number of other locations; and two lorries near the Lord Rodney.</p>	<b>An update will be provided to a future meeting.</b>
