## MISCELLANEOUS MATTERS

### 13. Dog Control – Public Space Protection Orders (PSPOs)

**Enc.** Members were consulted on the borough-wide Dog Control Public Spaces Protection Order in 2016 when the Order was first made and in 2019 when it was extended for three years. We are now embarking on further partner and public consultation ahead of a proposed extension for a further three years; the maximum allowed by the legislation.

The Order covers dog fouling in all areas accessible by the public; limits the number of dogs in cemeteries and requires them to be on a lead; bans dogs in designated children's play areas, war memorials and memorial gardens; and bans smoking in designated children's play areas.

Members are asked to comment on the current provisions (see attached Order) and are given the opportunity to propose new provisions prior to consultation with partners and the public. Members are advised that it should be borne in mind the need to evidence the behaviour to be prevented is:

- having, or be likely to have a detrimental effect on the quality of life of those in the locality;
- persistent or continuing in nature, and
- unreasonable.

Also, that what is included in a PSPO is reasonable and enforceable.

The public consultation will be promoted through a press release and on the Council's website.

Any comments can be made to Tim Horsley ([tim.horsley@pendle.gov.uk](mailto:tim.horsley@pendle.gov.uk))

16. Items for discussion

Members have requested that the following item be discussed –

**(a) Brown tourist sign on the M65**

After receiving a request for a brown tourist sign on the M65 directing people to ‘Colne, Historic Market Town’, Lancashire County Council (LCC) have investigated the potential to secure such a sign. When evaluating this type of request the LCC Signage Policy (Tourism and Leisure Destinations) sets out the criteria and considerations. In this case the Signage Policy criteria does not support the need for additional signage on the M65 and they are therefore unable to endorse the request.

However LCC have advised that, an alternative option would be to update the current town boundary signs. If this option is to be considered, further contact should be made with the County Council.

Members are invited to discuss this matter.
