12. Notices of Motion

(a) Street Sweeping

To be moved by Councillor D. Whipp and seconded by Councillor D. Lord –

Council notes that street sweeping has been adversely affected by the reduction in mechanical sweepers being used in Pendle since April, with a ‘fire-fighting’ approach being used in areas not now receiving regular sweeping.

Council also notes that the proposed saving of £24,000 from the cut in sweeping has not been achieved due to a £20,000 penalty in the contract for the mechanical sweeper.

Council resolves that the budget for mechanical sweeping is reinstated that previous sweeping routes and frequencies are restored.

(b) Sustainable Development

To be moved by Councillor T. Whipp and seconded by Councillor D. Whipp –

Council reaffirms its commitment to combat the climate crisis, notes that a major contributor to carbon emissions is domestic space heating and that energy cost increases are becoming increasingly unaffordable for households.

Council believes that the borough council should set an example in promoting sustainable development through positive action.

Accordingly, Council resolves that £371,000 of the Brownfield Sites fund be allocated for the provision of air-source heat pumps at the brownfield development at Spring Mill, Earby by the Council’s joint venture PEARL Together.
