

## **Barrowford & Western Parishes Committee – Update 12<sup>th</sup> October 2022**

22/0516/FUL: Land to the north east of Water Meetings, Gisburn Road, Blacko

Following the publication of the report to Committee, the applicant has submitted some amended plans. These are on the Council's website for members of the public to view.

In summary, the amended plans relate to the hard and soft surfacing proposed in this case. It does not affect the principle of development, but rather the finer details of the proposal. An amendment to the wording of condition 2 is required in order to incorporate the amended plans.

### **Conclusion**

Overall, the amendment of plans to accommodate a different hard surfacing material for the driveway and a different soft landscaping scheme does not affect the Officer's recommendation, which remains for approval.
